- Operation Sharing in-kind program
- Operation Relief
- WorkFest

***Thank You Kentucky
State Employees
for Supporting the
Families of Kentucky!***

Home Repair

Imagine your house without heat or running water. Our Housing teams turn electrical and plumbing problems, leaky roofs and caving floors into warm, safe and dry homes for people that need help.

**Child and Family
Development Centers**

With a focus on family growth and development, children are enrolled in CAP's Child and Family Development Centers, while their parents and siblings participate in projects throughout the year.

Because of you...

Grateful Bread Food Pantry

CAP's Food Pantry provides food to families in need. In addition to providing families with much needed food, the pantry also provides work experience for some CAP participants.

After-School Program

Children and teens are provided safe, supervised after-school programming.

Camps

Two full-facility overnight camps house underprivileged youth during the summer for a week of fun, learning, making new friends, exercising, eating healthy food, Bible lessons, and making memories that last a lifetime!

CAP is able to make a difference.
